Catherine and her husband Jim have seven adult children between them and two grandchildren. Non live close-by. The couple resides in Salina with their four Pixie-Bob cats. Catherine loves music, gardening, and interior design. She is looking forward to being a part of Rotary and working on projects which help the disadvantaged and the community. ## President’s Message

Hello, Rotarians!

Welcome Salina Noon Rotary Club to a new Rotary year! I am excited to begin my term as Club President this month and further promote the mission of Rotary, to “provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.”

This is also an exciting, and groundbreaking year for Rotary International as we welcome new RI President Jennifer Jones, the first woman to hold the office in our organization’s 115-year history! For her 2022-2023 term, RI President Jones choose the theme “Imagine Rotary”. She “imagines a Rotary where members act to make their dreams become reality and they make the most of their club experiences. She urges members to engage more with each other and use these connections to build partnerships that change the world.” Also, this month we will be joined by our new Rotary District 5680 Governor, Ivanhoe Love. Please help me to give Ivanhoe a warm welcome.

This past June I was fortunate enough to attend the 2022 Rotary International Convention in Houston, Texas. What an amazing experience! This was the first in-person International Convention since 2019 and you could feel the excitement in the air being able to gather again. The event really showcases the wide reach of Rotary with attendees from Clubs from around the world!

Once again, I would like to thank outgoing Club President, Jenell Hulse, for her service, and I look forward to leading our Club this coming year!

Rotarily yours,  
Sean
